

DAVID EDMONDS
FIELD/OFFICE PROJECT MANAGER

EXPERIENCE AND QUALIFICATIONS:

As a Project Estimator/Project Manager at Hyatt Survey Services, Inc., Mr. Edmonds is responsible for construction project bids, day-to-day project management and supervision of field crews on construction projects. Mr. Edmonds is also responsible for project scheduling, computations and client contacts. During his career he has performed and managed many different types of surveying projects with an emphasis on topographic, construction, boundary record and control surveys. Mr. Edmonds is proficient in AUTOCAD 2007 and Tripod Data Systems (TDS) data collection software.
